The cloakroom

This is where we hang our bags.

Before the session we find our name tag and put it with our bag.

We put our water bottle in the tray

We hang up our coats and put our wellies in the basket.

At 9.30am we enter preschool.

And start to have fun!

We can

Play in the role play area.

Use the computers

Make things with

playdough

Glue and
paint

We can have a snack from 10 o'clock to 11 o'clock.

We wash our hands,
put our name on the
board and get our
drink.

We can choose what we
would like to eat.
Everyday there are
crackers, bread sticks,
fruit and milk. Sometimes
we get an extra treat!

Then we wash our
plate and tidy
away.

We can play outside

The toilets

We have steps to help you reach the toilets.

The sinks, where we wash our hands and use towels to dry them.

At home time, after story, we sit on our chairs and wait for our grown ups.

With our grown up we look in our folders to find our work to take home.
